His collecting origins began with winter bike rides to the corner store, tossing a couple of quarters onto the counter and peddling home with a couple packs of O-Pee-Chee hockey in his pocket. Today, he continues to build sets, go after inserts with cool technologies, chase Montreal Expos and finish off his John Jaha master collection.

Good lucking find anything mint because most of the corners will be dinged, AS USUAL w/Tops.

This product is loaded with sweet hits! I got a triple threads hot box and a couple sweet autos. The only downside is many of the cards are dinged up.

Sweet product indeed. There is at least 1 good hit in every Hobby Box of 8 packs. Ronda Rousey Triple auto. Sam Stout 1/1. St-Pierre Mem #'d to 9. 2 Anderson Silva autos. I've pulled those and many others.

michael » Congrats on the nice pull. 2013 Topps UFC Knockout has probably been my favorite product of the year thus far. Or at least it's close to the top.
